## SCENE I THE SKELETON COMEDY TRIO

*(AT RISE: An empty stage except for one chair CS. Enter Mr. Bones SR and Yorick SL. Lumbar enters SR and sits CS in a chair. Lumbar has a skull for a drum and two bones for drumsticks.)*

MR. BONES: Welcome! Welcome! Thank you for choosing to spend your evening here with us at Club X-Rays! Over here is my partner, Yorick, and sitting in on drums tonight, ladies and gentlemen, a real dead beat, Lumbar!

*(Lumbar does a drum roll.)*

YORICK: Hey, good one, Bones.

MR. BONES: Awe, I got a million of 'em folks. Hey, Yorick, what goes "Ha! Ha! Ha!...Thud"?

YORICK: I don't know, Bones. What goes, "Ha! Ha! Ha! Thud"?

MR. BONES: Marie Antoinette, laughing her head off at our comedy show.

*(We hear laughing off SR and then a loud thud. Then Marie Antoinette's head comes rolling out on stage from SR, and lands near the feet of Lumbar. Lumbar picks up the head and holds it up next to his skull.)*

LUMBAR: Hey Bones, tell me, are two heads better than one?

*(Lumbar laughs and rolls the head offstage SL.)*

MARIE ANTOINETTE: *(From offstage SL.)* Not this way!

MR. BONES: Oops! That's all right, folks. Marie's always been hard-headed even when her head's attached to her shoulders! **[End of Freeview]**

## SCENE 2 THE MAD SCIENTIST AND FRANKENSTEIN

*(Enter SL a Mad Scientist rolling a gurney/table on stage with Frankenstein lying on it covered with a sheet. Note: Tourists are seated in the audience along with Pretty Woman 1, 2.)*

MAD SCIENTIST: *(Motioning to the audience.)* We've selected a few audience members to come up on stage for this special unveiling. Quick, come up close. You are just in time to see my latest experiment. *(Tourists and Pretty Woman 1, 2 leave their seats in the audience and go up on stage. Mad Scientist turns to speak to Frankenstein, who is lying under a sheet on the table behind him.)* Wake up, Frank. We have company!

*(The sheet falls off as Frankenstein gets up off the table, groaning.)*

FRANKENSTEIN: Aaarrgh.

MAD SCIENTIST: I thought that Frank's re-animation would be my life's greatest achievement. But, bringing the dead back to life pales in comparison to this! *(He holds up beaker labeled "Mo Jo.")* Ladies and gentlemen, I give you Machese-mo Juice. *[Machismo Juice]*

FRANKENSTEIN: *(Lunges at the crowd.)* Grrrrrrrr! Ughhhh!

MAD SCIENTIST: Even an uncouth clod like Frank, here, can be transformed into a charismatic ladies' man.

*(Mad Scientist holds the beaker to Frankenstein's lips. Frankenstein drinks it all down. Frank charges a Tourist.)*

FRANKENSTEIN: Wow, do I look as good as I feel? Well, of course I do. Ladies, why don't we continue this party back at the mansion...

### SCENE 3 THE MORTICIAN AND THE GHOST OF ELVIS

*(Enter SL: Mortician enters SL, rolling a table with a body covered with a sheet. The ghost of Elvis walks out behind him. [Note: There are 21 Elvis Song Titles in this skit. Can you find them? See page 19 for the answers!])*

MORTICIAN: Oh! Such a night! The King of Rock has shaken, rattled and rolled his way to the morgue.

ELVIS: Hey, now, Doc, don't be cruel. Treat me nice. It hurts me and I feel so bad.

MORTICIAN: Such a terrible tragedy. This is what comes of fame and fortune.

ELVIS: That's alright. I don't care if the sun don't shine. Since my baby left me, I've been a lonely man.

MORTICIAN: His death is going to bring a mess of blues. I'm all shook up. It's a heartbreaker.

## SCENE 4 VIOLET: THE BLACK WIDOW

*(Violet enters SL pushing a tea car. She pulls a chair up to it CS.)*

VIOLET: Oh, well, hello there. Where are my manners? Let me offer you a cup of Ms. Violet's sarsaparilla tea. All of my poor, dearly departed husbands just loved my tea. But of course I served them my special tea that I reserve *only* for husbands. Ms. Violet's Husband's Tea has a special little extra ingredient for the man in your life. You see, I discovered on my honeymoon with my first husband that if I wanted to have a successful marriage, I was going to have to kill him.

## SCENE 5

### THE MAID, DR. JEKYLL, AND MR. HYDE

*(Enter Maid carrying a feather duster. She dusts the tea set and moves the chair back.)*

MAID: *(To audience.)* Oh, you startled me. If you're here to see Dr. Jekyll, he's not in the office. You can find him down the hall in his lab—but beware. There are some strange and terrible noises coming from the lab this time of night. I'd stay away if I were you.

*(Maid exits pushing the tea cart. Enter Dr. Jekyll rolling in a table with anchored lab equipment on it. A sheet covers the table and hangs to the ground. Unseen by the audience, Mr. Hyde sneaks out from under the table and hides behind it.)*

DR. JEKYLL: Oh, good evening. Dr. Jekyll here, welcome to my lab. I've just made an amazing breakthrough. *(Holds up a test tube filled with liquid.)* Watch this. It is so cool.

**HIS LADY, AND HIS FIRST AND SECOND MATE**

*(Enter Crusty Boogers, Lady, First Mate, and Second Mate. First Mate is carrying a wooden plank and puts it down SR. Crusty Boogers manhandles the Lady and pushes her onto the wooden plank.)*

CRUSTY BOOGERS: This is your last chance, my lady. Marry me, the dreaded pirate, Captain Crusty Boogers, or walk the plank!

FIRST MATE: My captain is the most feared pirate on the six seas, a renowned plunderer and pillager...

*(Second Mate whacks First Mate across the head to shut him up.)*

SECOND MATE: Shut up. And give the lady a chance to speak.

CRUSTY BOOGERS: *(To Lady.)* So, what's it gonna be, toots, marry me, or walk the plank?

*(Crusty Boogers picks up a rat and wipes his nose and tosses it aside. Lady pulls a long white handkerchief out of her bosom, and offers the hankie to Crusty Boogers.)*

LADY: A lady such as meself could never marry a heathen who doesn't even use a handkerchief to blow his nose!

*(Enter Mr. Bones SR and Yorick SL. Lumbar enters SL carrying aloft a small drum made from a human skull, and drumsticks made of human leg bones. He sits in a chair CS.)*

MR. BONES: Thank you! Thank you! Ladies and gentlemen, like my friend the Mummy always says, "It's time to wrap things up." But, we have time for a few more. Hey, folks, did you hear the one about the skeleton who couldn't cross the road?

YORICK: No, Bones, why couldn't the skeleton cross the road?

MR. BONES: He didn't have the guts!

*(Lumbar does a drum roll.)*

YORICK: *(Laughing.)* Ahh, you are killing me!

MR. BONES: Wait, that's funny...I thought you were already dead!

*(Lumbar does a drum roll.)*

YORICK: Hey, Bones, why didn't the skeleton dance at the party?

MR. BONES: I don't know, why?

YORICK: He had no *body* to dance with.
